WHY YOU WANT TO FUNDRAISE?

You are raising money for yourself and the Class of 2013.

- Half of your profit will go to the Class to lower the cost of class trips, t-shirts, etc. for everyone
- Half of your profit will be listed under 'your name' so that you can use it for school sponsored things such as prom tickets, Homecoming tickets, field trips, class shirt – whatever you tell your advisor that you choose to use it for. You can use the money this year or bank it for future years!
 - *HINT: Senior year gets a little expensive!*
- The more you sell, the more profit you can make and the more things at Hodgson you can do or order for free!

WHEN GETTING ORDERS AND MONEY:

- Remember to practice safe selling techniques!
- Checks should be written to Hodgson Vo-Tech – if you could collect money and checks and write **one big check**, that would be great – if not, little checks and money are fine too.
- Checks should include the selling student's name in the "memo" section.
- Orders take up to 8 weeks to come in. Look for announcements that the items arrived.
- **Your envelope MUST include your name and a phone number to reach you in case you forget to pick up on delivery day.**

TURNING MONEY IN:

- Please turn in money and orders **NO LATER than Friday, February 12th** --
- Please drop off your envelope and money (if possible one large check) to Mrs. Kelly Bench (Class of 2013 advisor) in Room 209
